Category 3 (Tertiary) – A category or short description for the Item – if needed	30	A	N
WebStore Description – A detailed description for the WebStore. Paragraphs should be separated using a semi-colon. Example: With 700 fill power down (hence the name: SnowPack 700), this is our lightest, warmest down jacket. And with its narrow-channel design, it gives you high-tech warmth with a little more style than most. This jacket is incredibly compressible, so you can pack it into its own pocket and even use it as a pillow in a pinch.;Also features brushed-lined collar and drawcord adjustable hem. 100% nylon. 80% down/20% feather fill. Machine wash. Imported.	500	A	N
WebStore Features – A listing of bulleted features of the item. Features should be fairly short and separated using a semi-colon. Example: “Nylon shell with water-resistant DriOff finish;700 fill power down that’s extra-warm and lightweight;Three zip-close outer pockets;Zip-front with inner storm shield;Packs into pocket”	500	A	N
